Cortijo Ann

Albox

€25,000

Cortijo in structural work, roof has been completely renewed, inner and outer walls are partly plastered, the floor can still be placed. The pitches are divided on the ground floor. Lounge with fireplace, kitchen with stairs to the top, pantry or storage room, a room and a bathroom. On the first floor there are two large open spaces that can be arranged as desired.

The terrain outside is partly flat partly ridge. the largest flat part is at the front of the house, a small part next to the house and a smallest part behind the house.

The house can be reached via an easily accessible dirt road of about five kilometers. At the entrance of the road to the top where the house is located is the meter cupboard for the water. The pipes to the top still need to be placed, as well as the electricity that can be provided with solar panels and/or generator.

Ideal for those who want to enjoy tranquility and spectacular panoramic views.
