Casa El López

Albox

€50,000

House in the heart of Albox, in the most commercial area of all the people, along with banks, bars, shops... situated in a pedestrian area free from noise and really easy to access.

The house has two floors.

-The bottom floor, which has been completely renovated and decorated in modern style; consists of kitchen, bedroom, bathroom, living room, toilet, pantry and parquet floors.

-The high floor that needs a little reform but very well preserved with an old style especially in ceramic floors and high doors.

On this floor there is a living room, 3 bedrooms, 1 bathroom and terrace.

It has a very attractive price with respect to those of the area and in addition can be converted into two apartments completely independent.
