Village house with large garden, terrace, 2 large warehouses, one with garage entrance, 3 bedrooms, 2 bathrooms, various terraces, above ground pool, large roof terrace, outside kitchen, bathroom, dining room and many outbuildings ideal for storage.

This home is in a prime location just a short walk from all the local amenities of this busy city. Ideal opportunity to combine your business and home.

The property is accessed via double doors from street level to the spacious corridor. This house has wooden windows, doors, marble tiled floors, many original features.

Outside: From the back of the house there is initially a small courtyard with ornate tiles and access to the outside kitchen, dining room and bathroom. A gate at the back of this area leads to the large garden area with two storage rooms, one on the side with traditional animal cages and the second one at the back of the garden with access to the garage. There are also 2 outbuildings ideal for storage. There is also an above ground swimming pool with some repair work. Stairs lead to a large roof terrace with outbuilding and views of the city.
