€38,000

Cave House for sale in La Alqueria, only 6km from Galera, famous for its cave-houses.

The cave is in need of a bit of cleaning and painting, but then will become a beautiful cave of 2 plants, somewhat unusual.

On the ground floor 7 rooms in Cave and 3 in normal building construction.

In the first plant (it is not cave) a large lounge and a room.

It also has 430m² of garden (80m² next to the entrance and the rest on the other side of the street)

Very good access, very quiet and light and water to connect.
