Town House

11 bedrooms

2 bathrooms

 600 m²

Cantoria

€125,000

Beautiful 4 storey townhouse in the heart of Cantoria with 13 rooms within walking distance of all amenities.

The town of Cantoria offers many amenities, including shops, bars, restaurants, a gym, tennis courts, schools, a medical center and a weekly Wednesday market. The large trading town of Albox is only 7 minutes away by car.

This home is absolutely unique with great potential to become a great family home or B&B.

On entering the property there is a large entrance with two living rooms on each side, the floor is marble and the traditional wooden beams can still be found everywhere. On this floor there are two bedrooms, a kitchen, bathroom and a patio. A staircase leads from the hallway to the basement. From the kitchen there is another room used for storage and there are two stairs to go to the first floor on two different sides of the house

Upstairs is a charming cathedral style living room that leads to many rooms, most with Juliet balconies, on this floor there are also a few living rooms! There are two other stairs to reach the upper floor where there are a number of rooms.

This home is well worth a visit to appreciate it.
