€35,000

Semi-detached farmhouse to be renovated with stunning views and 300m² of land

The house is composed of 2 floors:

The ground floor has 5 rooms and 2 fireplaces and the upper floor is totally open.

At the entrance there is one of the fireplaces, which can be converted into a barbecue area as it has a spacious porch.

The roofs and the structure are in good condition.

As far as light is concerned, the most economical option would be to opt for sunlight.
