Villa El Apaño

Albox

€175,000

Great villa only 1km from Albox!

It is located within a 5000m2 totally fenced plot and a large swimming pool!

The house is composed of 2 totally independent houses (one on the upper floor and another on the ground floor).

On the ground floor there is a beautiful porch with arches, 4 bedrooms, toilet and living room-kitchen with fireplace.

On the upper floor there are 3 bedrooms, bathroom, pantry, living room-kitchen with fireplace and terrace.

Both houses have an independent entrance.

Within the plot there are also two warehouses; one of 40m2 that can be used as a garage, party room or as a guest house. Previously it was used as a corral for animals. The other is of a similar size.

Electricity and water are connected and there is also irrigation water on the property with a tank to be able to store the water when not in use.

Ideal for rural tourism, big families or friends!
