Beautiful car + cortijo totally restored in the area of Saliente, very close to the Sanctuary of the Virgen del Saliente.

It has 1000m2 totally fenced with swimming pool and garage.

It consists of 2 floors which have been totally restored preserving all the details of the original cortijo as can be seen in its ceilings, walls, floors, wooden carpentry, decoration...

On the ground floor there is a large living room with fireplace, 2 bedrooms, fully fitted kitchen and a large patio with swimming pool, a small workshop and the garage.

Upstairs we find a bedroom, a bathroom, a large living room where there are now 2 double beds and a terrace.

The house has solar panels and water deposit installed.

All the furniture of the house is included and also an automatic car with only 77000km.

It is ideal to come to live in Spain with only your suitcase, you don't need anything else!
