Great property for sale in Almeria.

This great project that is in the process of being reformed has been designed to make two independent houses but with the possibility of being able to modify it.

It is located within a plot of 1000m², it is alone, without neighbours and asphalted access to the house.

The two houses share a garage of 65m².

Each house has 160m².

On the ground floor at the moment there is a living room of 30m², 2 bedrooms, bathroom and patio (10m²).

Upstairs: 5 bedrooms, bathroom, living room,...

Great opportunity to finish it as rural tourism or for a family who wants to live in the middle of nature without being too far from the village.
